In order to prevent the global spread of the novel coronavirus (COVID-19) infection, the Group is taking measures such as closing some department stores and commercial facilities, shortening business hours, and recommending further telework. Under these circumstances, we have determined that it is difficult to reasonably calculate the financial performance forecast that incorporates this effect, in the situation where we cannot yet predict the end. Therefore, the forecast for the fiscal year ending February 28, 2021 is stated as "-". We will promptly announce the forecast when it becomes possible to disclose it.
